Barbara,

Just want to let you know that Sete Brasil is supposed to speak with EAS (the shipbuilder) today about getting access to the shipyard for part of your filming (remember, they are near Recife). Otherwise, they are available to speak with you in Rio, but I suggest we try to nail down the dates asap, as their schedules fill up. Have you finalized your travel dates? I may be there as early as next Thursday (Aug. 4th), but it is still a moving target.

Best wishes, Kevin
